# BRIO<sup>250</sup>

## MAXIMUM PERFORMANCE IN MINIMUM SPACE

The Brio 250 offers selection, easy service and the quality of the most sophisticated coffee machines in a remarkably compact unit. The rounded door is very stylish and has added to the sophisticated look of the machine. This design has also made it possible for the Brio 250 to hold and dispense over 200 cups. The Brio 250 can be operated with a coin mech, bill validator, or set for free vend. Flexible menu options allow for choices that will fit the most fickle of customer's needs. The freshly ground beans add to the experience your customers will enjoy when purchasing coffee house quality drinks from the Brio 250.
